

EUROPEAN PHARMACOPOEIA (Ph. Eur.)

Publisher: European Directorate for the Quality of Medicines & HealthCare (EDQM)

Overview

A link to the European Pharmacopoeia (Ph. Eur.) website, which provides extensive information on standards for medicines allowed in the EU. The link includes general information on the Ph. Eur commission, as well as the direct link to purchase and access official documents.

The second link gives an overview of the pharmacopoeia-related Products and Services, where you can order Reference Standards & Publications. Access to the FAQs and training is also included on the website, along with a wealth of other information on pharmaceutical products.
